3. When you have selected a performance for each production and clicked **Submit**, the following pop-up window tells you that when you see the seating chart on the following screen, you can choose the same seats for all four productions simultaneously.

You will also have the opportunity to choose different seats for each performance.

Click **I acknowledge** to proceed.

Reserving Seats

You are about to reserve the **same** seat(s) for **all performances** with the same seating chart.

If the seating charts are **different**, you will book the **same** seat(s) for each seating chart.

Note: You can also reserve different seats for each show.

I Acknowledge

4. On the MLS seating chart screen, you can choose your seat(s) for **all four performances at the same time**. If you've purchased multiple subscriptions, you can choose as many seats as you are entitled to.

When you click on a seat, there will be a small popup window that asks you to click **Select** to confirm.

When you've chosen your seats, click **Continue**.

If you prefer to **Pick Individual Seats** Instead, click that button and you'll be presented with a seating chart for each performance. There will be a popup window telling you you're changing selection mode; click **Continue**. You'll be presented with the MLS seating chart for each performance, and you can choose different seats for each one. After choosing, click **Continue**.
